Summer lunch - a success

This year we decided to have a summer lunch at Haganäs, where our guests didn't have to reserve a table. A 'drop-in' lunch with everything on a buffet, a real success.

Now the fall is coming soon and we will continue with an autumn lunch instead, with soup, salad buffet, a served main course, cheese, desert and coffee. So welcome to our autumn lunch every weekday from 11:30-13:00. Kindly reserve a table.

Do you know somebody that want's to know what is happening at Haganäs? Ask that person to send us an e-mail to: nyhetsbrev@haganas.com and he/she will recieve our newsletter, or send it forward it to your contacts.
